Alleged Cheque Forger Arrested

Prominence was given about a month ago to the cashing of a C.P.R. cheque for \$667.5 by Messrs Barber and Craddock, the cheque having been dishonored when presented for payment, on the ground that it had been stopped, the party to whom it was made out stating that he had lost it.

A month's search on the part of the Provincial Police resulted in the arrest of a man named A. Macdonald, and Craddock, the cheque having been dishonored when presented for payment, on the ground that it had been stopped, the party to whom it was made out stating that he had lost it.

\$200 Penalty for Selling Beer

At 3 P. M. Court held Tuesday forenoon, before Justices Lambert and Vickery, Harry Spier was fined \$200 and costs for unlawfully having liquor for sale. The sample was taken on September 22nd, and when analysed was found to be of an alcoholic percentage of 4.37.

- THANKSGIVING DAY
- Monday, November 7th will be Thanksgiving Day this year.
- The federal parliament last year fixed Thanksgiving Day to be the second Monday of the week in November, the anniversary of Armistice Day.
- The date of the Armistice was November 11, 1918.
- Monday, November 7th, will be Thanksgiving Day.

Lapin, Que.—A new wireless station, which when completed, will be the greatest in the world, will shortly be built at Lapin, according to A. H. Morse, managing director of the Marconi Wireless Telegraph Company of Canada. A start is to be made at once by a research staff in preparation for the erection of the 230 feet steel towers, which will be set up this fall.

Farmers Will Not Nominate Candidate In East Calgary

WILL CO-OPERATE WITH LABOR
A. L. Smith Probable Conservative And Duncan Marshall Liberal Nominee

The atmosphere was perceptibly cleared by the action of the East and West Calgary Farmers Convention on Friday last in deciding not to nominate a candidate for East Calgary riding, but to co-operate with the Labor Party whose candidate is Mr. William Irvine.

A meeting of a Conservative Committee from all over the riding was held on Monday evening of this week, when the situation was gone over, and a recommendation was made in support of the riding will be made at a convention to be held shortly.

The Liberals have not yet nominated a candidate, but the probabilities are that Hon. Duncan Marshall, formerly Minister of Agriculture in the Provincial Legislature, will be their standard-bearer.

Major A. Lincoln has been appointed returning officer for the constituency. The date of the election will be December 6th.

The U.F.A. Convention
The Farmers Convention on Thursday was a joint one, representatives being present from both East and West Calgary ridings, and a number of labor delegates were also present. The gathering was held in Peace Hall, and was largely attended, 127 being the number of actual farmer delegates present, representing 37 localities.

The convention was called to order at 2 p.m. by Mr. C. H. McFarlane, president of the West Calgary U.F.A. political association. Mr. H. E. Scheldt, of Cranston, was elected chairman, and Mr. Scratch, of Irricana, secretary.

The resolution adopted by the directors of East and West Calgary, in accordance with the instructions received at the last annual convention, was that the U.F.A. should have no cooperation between the U.F.A. district associations and organized labor or other group organizations for the purpose of electing representatives to parliament. It further recommended that it be understood that representatives of each group shall be responsible for their political actions and policies to their own respective groups.

Apparently there was a considerable body in the hall who wished to nominate a farmer candidate, and considerable doubt prevailed as to the result of the agreement with Farmers and Labor, but a loud address by President Wood, and also a presentation of the facts as regards the resolution, cleared the matter up. The delegates continued the delegates that it would be better to let Labor have a run at the East Calgary seat, in return for Labor's support in West Calgary.

Facts Regarding The Grain Business

By CHARLES BIRKETT
Country Elevators

Some times there is a dispute regarding the weights. The Board of Grain Commissioners has ruled that the net weights on the ticket or tickets are final. The shipper must be paid according to the weight shown on the ticket. If there is an overage in the car when officially weighed at Port William it reverts to the Elevator Company, but where there is shortage the Company must make it up.

With all the talk about the one referred to will be before the Magistrate within the next ten days.

EVERYTHING RIGHT IN THE END
I want to believe in the happy old way. That all will come right in the end, and time will be better and days will be sweeter.

That love and affection and honor and trust. Will lift us from sorrow and shadow and dust. I want to be talking with this in my heart. That every day brings us the joy of a start. Faith with endeavor and duty and truth. As we swing to our tasks with the vigor of youth. Singing the music of love and of cheer Till clouds drift apart, and the storms disappear.

F. C. BUTCHART.
In this time of confusion particularly the elevator operator must ship out grain to the terminal without it being sold. The act provides that he can do this providing he gives forty-eight hours notice to the shipper or his agent. Instead of the Bill of Lading being issued, the elevator operator must secure a ticket for each load for his grain. They have confidence in the operator. This is alright, but mistakes happen. Guard against mistakes. misunderstanding and bad feeling. Secure a ticket for each load.

Will be running in a conversation with a representative of The Calgary Herald Tuesday morning, admitted that he was willing to carry the Manitoba grain, however in East Calgary the Liberals would not have the nomination. As the Liberals have been hesitating Mr. Marshall to offer the Liberals to carry the grain, there is no doubt now but that he will be the candidate. He is a resident of the riding, his home being ten miles inside the north boundary.

Meighen Meeting Friday
It is also practically certain that a large meeting will be arranged for next Friday night in Victoria pavilion on the Exhibition grounds at which Mr. Bennett and other prominent Conservatives will speak. The positive announcement concerning the exact date of the convention and also for the time of the mass meeting will be made Wednesday, Thursday. In the interim, the two executive committees will meet again and announce a long list of names added to their number, which the committees are now working.

East Calgary Liberals Will Meet
October 14
Liberals of the East Calgary riding will hold a convention in Nolan's Hall, on October 14, for the purpose of nominating a candidate to contest the seat. This convention is being held on the same day as the provincial conventions and the delegates will attend the provincial meetings before they transact their business.

\$500 Fine for Selling Beer

At a Police Court held on Monday morning, Jos P. Smith was fined \$500 on a charge of having liquor for sale. The raid on the premises was made two weeks ago by a Provincial Liquor squad. The analysis showed the beer to be of seven per cent strength.

Detective Schoeppe prosecuted, and a plea of guilty was entered. The bench consisted of Messrs Lambert and Vickery, J.P.'s.

Another local place was raided on Friday by the Town police, and samples taken, and it is expected that a similar case to the one referred to will be before the Magistrate within the next ten days.

EVERYTHING RIGHT IN THE END
I want to believe in the happy old way. That all will come right in the end, and time will be better and days will be sweeter. That love and affection and honor and trust. Will lift us from sorrow and shadow and dust. I want to be talking with this in my heart. That every day brings us the joy of a start. Faith with endeavor and duty and truth. As we swing to our tasks with the vigor of youth. Singing the music of love and of cheer Till clouds drift apart, and the storms disappear.

This convention is being held on the same day as the provincial conventions and the delegates will attend the provincial meetings before they transact their business.

Memorial Hall To Be Completed

It will be a source of gratification to the residents of this district to know that work on the Great War Memorial Hall, which was begun some time ago on account of lack of funds, will be commenced this week, and the interior of the building made fit for use this winter.

The drive has enabled the work done on the hall to be practically ready for its completion. A loan of \$2,000 has been made through a local man who enable the hall to be plastered and in use this winter.

The gentlemen who have helped the veterans by making the loan is Mr. James Gardner, father of Mr. Robt. Gardner, of the Pioneer Meat Market. The necessity for additional contributions has not yet ceased, however, and the appeal is still open for funds to fully complete the building.

It is expected that with a start made this week, the building will be ready for use by the beginning of November. In a number of cases contributions for the hall were not able to see all the parties in their districts, and those who have not been seen wish to help out in the cause of a Memorial to our soldier dead, can hand their contributions to any local member of the G.W.V.A., or to the Standard Office. Mr. Pete Nalimith is now secretary-treasurer of the Memorial Hall Building and Finance Committee in room of Mr. H. H. Forward, who is leaving Strathmore.

Subscription to Hall Fund \$5.00

Death of Mr. J. G. Bell

The death took place at his home early Saturday morning of Mr. J. G. Bell, local agent for the Great War Memorial Hall, who was 67 years of age, and was a native of Ontario. He came to Alberta about ten years ago, and has been in Strathmore in the employ of the G.W.V.A. for the past two years. He is survived by three young children, two boys and one girl, with whom great sympathy is felt in their bereavement. His wife died here last December, and he has lost her loss keenly ever since.

His brother, Mr. Calvin J. Bell, of Goodlands, Manitoba, arrived in Strathmore Monday. The funeral takes place this (Wednesday) afternoon, at Strathmore Cemetery, service being held at the Union Church at 2 o'clock. The late Mr. Bell had a wide circle of friends in Strathmore and the surrounding district, and he will be much missed. His genial disposition and his ready interest in the welfare of the community were a source of comfort to many of the three local fraternal societies: Mason, Oddfellows, and Orangemen.

He was a brother-in-law of Mrs. E. Dobson, Strathmore.

On Monday last a serious accident happened to a son of P. Waddy, which resulted in the death of the boy. The lad, while running a cart of oats from the carrier of a binder, the horses jumped with the result that both legs were severely cut, one of which required to have several of the tendons stitched up. Dr. Tiffin was called and attended to the injured lad. We understand that he is doing as well as could be expected.

Strathmore, Alberta, October 12, 1921

OUR ELECTION POLICY

Now that a Federal Election is approaching, we take this opportunity, as we have done in the past, to lay down our policy with regard to it.

The Standard is a strictly independent newspaper, owned and controlled by its editor. It is not in the pay of any party. Concerning that it is the duty of a newspaper, especially in a one-newspaper town, to act as a medium whereby the public can form their opinion of the candidates and their policies, we will give fair and accurate reports of public meetings, etc., as far as space permits. Our advertising columns will be open to all parties to put their views before the public of the Western Bow Valley.

Independence, however, does not necessarily mean neutrality, and if at any time during the course of the election we feel it necessary to comment on the action of any candidate or party, we shall do so, but it will be of our own volition. Articles sent in for propaganda purposes will be marked as such and paid for as such.

The Hospital Situation

The Municipal Hospitals scheme proposed for the Calgary district has been in abeyance for almost a year now, for various reasons. Apparently there is a prospect of this scheme being dropped altogether. At any rate the scheme formulated by the Board at their last meeting was a compromise, but it is not regarded as a workable compromise, and it is doubtful if it would receive the sanction of the voters of the proposed districts.

In the meantime the local situation at Strathmore has been working to capacity, with a staff of two and sometimes three nurses, but the prospect is that for the winter the capacity of the hospital will be cut down on account of lower heating facilities in the building now used. The alternatives are the leasing of another building or the putting of a heating plant into the present building. As the present building is only rented the outlook for this is not bright.

The Hospital has proven of great service to the people of the whole district. It is being very largely used by the people from the country surrounding Strathmore for a radius of twenty miles, and its work has been uniformly successful. Even under the present circumstances, it has been able to carry on without a call on the Municipalities for funds this year.

The editor of the Standard recently took up the matter with the Department of Public Health, and received the following reply from Mr. A. K. Whistons, secretary of the Municipal Hospitals Branch:

Dear Sir:
I beg to acknowledge receipt of your letter of October 2nd.

This Department has recently taken up by letter, with the Chairman of the Calgary Municipal Hospital Board, Mr. William Galloway, the question of subsequent action, if any, to be taken by the Board with regard to the Calgary District.

The Department has recommended to the Chairman that a meeting of the Board be arranged for as early a date as possible, when this matter will be carefully considered and a decision arrived at and a report made to the Minister as to the wishes of the Board in this connection.

In the meantime you will appreciate the fact that it will be impossible for the Department to take action in connection with the Strathmore Hospital situation until the Calgary District has been disposed of.

If the Board decide to recommend that the Calgary District be dissolved then it will be in order for the people of your portion of the Five line tributary to the Town of Strathmore to consider the formation of a Municipal Hospital District and in this connection, the Department will be pleased to cooperate.

Yours truly,

ARTHUR K. WHISTONS,
Secretary, Municipal Hospitals Branch

START THAT ADVERTISING

Mr. Retailer:—

Start that advertising!

Start your fall story to the building thinking public of your town and territory. You want the public to have confidence in you, and in your business, don't you?

You want all the folks in your district who are interested in building, repairing or painting, to know of your ability to serve them, don't you? You appreciate the value of having people think of you whenever they think of your line of business, don't you?

Then start that advertising! Are your goods right?

Tell the public so. Are your prices excellent?

Tell the public so. Are there particular ways in which you are equipped to offer building and repairing advice as a building specialist to your townspeople, right now?

Tell the public so. Advertise to sell your goods.

Advertise to keep in the public eye. Advertise to hold public confidence.

Remember that advertising throws the searchlight of publicity upon your business, and inspires confidence. It's the birds that fly in darkness that folks are suspicious of; not those that sing in the sunlight.

Keep the public advised of what you mean by them.

Remember that every man is interested primarily in his own affairs and that the proper way for you to demand a share of that interest, is to appeal to his self interest, through your ability to serve it.

Get the other fellow's view point. Figure out what you can do for his benefit. Approach him from the viewpoint he needs, and not simply because of your desire to sell.

Start that advertising.

DAMAGE SUIT AS SEQUEL OF SHOOTING

An aftermath of the trial of George Palmer, a farmer of Balintre, charged with the attempted murder of Herbert Spielman, was heard in the civil court on Wednesday, when Mr. Justice McCarthy gave judgements favor of the plaintiff, Spielman, for the sum of \$7,500 damages for his injuries received when shot, with the costs of the action, which was undefended.

The quarrel which culminated in the shooting of Spielman by Palmer arose over a refusal by Palmer to pay the wages of the threshermen, of whom Spielman, with two others of the threshermen went to Palmer's house, and was shot by him as he refused to self defence. The jury acquitted the accused. A. Williams, of Lacombe, Bennett & Co. acted for Spielman. —Herald Calgary

A London Deluge

67,000,000 Tons of Rain

The long drought experienced in the South of England this season was definitely ended September 10, when rain fell in torrents, while the wind blew with hurricane force from the northwest, forked lightning rent the black skies, and the thunder was terrific. Indeed, a weather expert described the storm as one of the most phenomenal in living memory. In less than two hours more rain fell in London than during the whole of June, July, and August, and the total rainfall in the London area was something like 67,000,000 tons. The velocity of the wind was over 25 miles an hour.

Fire Prevention Week

The present week, October 9 to 15, has been set aside by the Government as Fire Prevention Week in Canada.

By far the greater number of fires which occur throughout Canada are caused by carelessness, and the object of fire prevention week is to impress on the people the necessity of prevention at all times, and that during this week they take particular care to inspect their stoves, furnaces, pipes, chimneys, etc., or any other means through which fire might be caused.

Throughout the district there have been numerous fires during the past year, but none attended by loss of life, but causing much property damage.

The Municipal Officers will co-operate with every household who requests their assistance in putting their places into shape.

The following are among the suggestions made by the Government in its proclamation, to be observed by citizens generally throughout the whole of the present week:

1. All dwellings and their surroundings be carefully inspected by their occupants and all conditions likely to cause or promote the spread of fire removed.
2. All public buildings, stores, warehouses and factories be inspected and cleaned of rubbish in order to reduce fire hazards and maintain health and safety.
3. All hotels, theatres, asylums, hospitals and other institutional buildings be inspected and provisions made for all changes necessary to protect the occupants from danger in the event of fire.
4. Fire drills be held for the children in all schools, for the inmates of all institutions and for the employees in all large stores and factories in order that a greater degree of safety may be ensured by acquainting the occupants with the best and most expeditious mode of exit in time of danger.
5. Special instruction on the subject of fire prevention be given to the teachers and by municipal officers in the schools and that such appropriate literature as may be made available be distributed to the pupils.

IRRICANA NEWS

A number of young people from Irticana attended the dance at Belcher Friday night.

A delegation from the Irticana Brethren Church held a meeting in Calgary last Thursday to arrange for holding the annual 1922 convention in Calgary. So far Calgary is the second competitor in the field, as San Francisco is also trying to secure the 1922 convention.

Mr. T. O. Thompson spent a few days in Irticana last week as guest of Mrs. Jim McCulloch.

Miss M. Kernick of Three Hills spent the week end in Irticana.

Mr. and Mrs. Ewing, and Mr. and Mrs. Brower spent a couple of days in Calgary last week.

Inspector McGreaver paid a visit to Irticana on Tuesday.

Mr. Scratch and Miss M. Scratch motored to Calgary on Friday.

Edmonton, Alta.—What is believed to be the largest single shipment of cattle of the year from Edmonton Stock Yards, comprising twenty cars, containing ten head of prime beef steers, left here for Montreal, where they will be transferred to boats for shipment to Glasgow.

Calgary, Alta.—With ten horses entered at the Stockmen's International Fair, Calgary exhibitors brought away thirty-five prizes and two championships. Both the championship and the prize for the best horse won by local horses, which took the prize in practically every event in which they entered.

Regina, Sask.—Directors of the Municipal Hall Insurance Association have fixed the rate of the premium to be paid by farmers for the current year at twenty-five cents an acre on the net seeded acreage. Based on all claims received this levy practically means a five per cent rate. Claims numbered 7246, totaling a net amount of \$1,668.491.

Winnipeg, Man.—During the first half of the present year business handled at Canadian stock yards was as follows: Cattle, 265,600 head; calves, 100,510; sheep, 82,652; hogs, 511,967. Western Canada's leading yards handled 103,182 head of the total.

Fire Loss Questions For School Children

The fire loss for Alberta during the year 1920 was approximately \$2,000,000 while \$70 buildings were burned.

What is the average loss per building?

The fire loss for Alberta during the year 1920 was approximately \$2,000,000 while the population is estimated at 620,000.

What is the average loss per person?

The fire loss for Alberta during the year 1920 was approximately \$2,000,000 while the largest individual fire loss was \$27,000.00.

What percentage of the total loss does this one fire represent?

The fire loss for Alberta during the year 1920 was approximately \$2,000,000, 80 per cent of this represents carelessness.

What was the total loss in dollars through carelessness?

The fire loss in Alberta during the year 1920 was approximately \$2,000,000, 80 per cent of which was due to carelessness and the population was estimated at 620,000.

What is the average loss per person through carelessness?

The fire loss for Alberta during the year 1920 was approximately \$2,000,000. If this sum was invested in War Bonds at 5 1/2 per cent interest, What would this interest amount to per year?

The loss of life through fire in Alberta during the year 1920 was 37.

How could you estimate this loss? Name some of the ways that you are charged with the fire loss of the Province?

Name five principal methods you would use for Prevention of Fires? If you had your share of the money lost through fire in Alberta during the year 1920, to spend at Christmas. What could you buy?

The above list of questions might very profitably be discussed in the schools during Fire Prevention week to impress on the minds of the pupils the enormity of loss by fire, and how 80 per cent of this could be eliminated through care.

A suitable medal will be donated to one scholar from each school giving the best answer. Each school to forward the best of such papers, addressed—Fire Commissioner, Parliament Buildings, Edmonton.

Municipal District of Bow Valley,

No. 219,

TAX SALE

Sale of lands in the Municipal District of Bow Valley, No. 219, for arrears of taxes.

NOTICE is hereby given that certain lands in the Municipal District of Bow Valley, No. 219, will be offered for sale for arrears of taxes and costs on Saturday the 28th day of October, 1921, at 11 o'clock in the forenoon in the Fire Hall, Strathmore, unless said arrears and costs are sooner paid.

A full list of such lands may be found in the September 14th issue of the Strathmore Standard, and supplementary list in issue of same paper of date September 21, or may be secured upon application to the undersigned.

Dated at Strathmore, Alberta, this 10th day of September, 1921.

W. G. WAY,

Secretary-Treasurer

26-10-21

Town of Strathmore, Alberta

TAX RECOVERY ACT

To Whom It May Concern, TAKE NOTICE that certain lands have been sold by the Town of Strathmore, on account of non-payment of taxes, and the year allowed for redemption will expire on the 6th day of November 1921.

If you wish to contest the legality of the sale of such lands you should immediately make application to the judge of the District Court of the judicial district within which the said lands is situated, for an order staying the issue of a certificate of title to the purchaser of such lands.

A list of said lands can be seen in the Alberta Gazette of date September 15.

Dated at the Town of Strathmore, Alberta, this 27th day of August, 1921.

F. R. LILLY,

Treasurer.

H. W. Wood's Ideas

A New Method of Political Action. Co-Operation of
Votes Without Fusion of Ideas

President H. W. Wood, of the United Farmers of Alberta, has the credit of injecting a new idea into politics. New ideas are wanted. The problems of government have proved practically unsolvable under the old methods, as witness the conditions which exist at the present time.

It has been rather a hard idea to understand, especially so to casual-minded politicians and their followers. The idea of economic group government is a new one in Canada, and therefore the following remarks of President Wood will be of interest to delegates at Calgary on Friday will be of interest.

In commenting Mr. Wood said he was glad to have been called upon to speak on cooperation of organized labor and organized farmers. There was no suggestion of any sort of cooperation between platforms. They were not asked to adopt any part of the Labor platform. This cooperation was purely and only a matter of voting strength. The farmers proposed to assist in electing a Labor candidate, while Labor would assist in electing a Farmer candidate in return. The Farmer candidate would not be responsible to Labor after his election, nor the Labor men to the Farmers. It was a case of cooperation between voters.

Why Co-operation Was Necessary
He would have to explain why this was necessary. He was not able to agree with Labor's platform. He would not attempt to reconcile his viewpoint with that of the Labor. The viewpoint of Labor was the product of the environment of Labor, and their platform proposals were the result of that environment. The same was the case with the Farmers. The two viewpoints were irreconcilable.

Plutocracy and Democracy
Today there were two great forces existing in a conflict, the greatest the world had ever seen. These forces were those of plutocracy and those of democracy. The plutocratic forces had learned that they could cooperate, and the forces of democracy would have to cooperate on a similar basis to win. If they could not cooperate they would not be able to make a force to smother the plutocratic forces.

A Big Idea
There was one great idea involved out of which a great deal of confusion grew. This was that some political party in its declaration of principles comes nearer to expressing your ideas than organized labor does. Some of you thought that you ought to cooperate with that political party. There was, however, a principle more vital than promulgation of a platform and that was the principle of organization. A political party was not an

organization, a political party was a group of unorganized individuals. The few people who spoke for that group made platforms for the sake of getting votes, and there was no mobilization of the strength of individuals. Consequently the declarations of a political party amounted to little or nothing. The forces who mobilized that party could afterwards debate to that party what it should do. So what was the use of trying to ally ourselves to a political party.

Producer and Consumer Apart
The result of modern industrialism had been to bring the primary producer and the ultimate consumer far apart from each other, and this had been the case in the world's history, when they should have been close together all over.

Two factors contributed to this. The economic classes had developed as classes and were using their strength for their selfish interests. They had piled the producer and the consumer as far apart as they possibly could. This had been brought about through the old party system.

The Farmers were now trying to organize social and stable economic groups to meet the other classes and they had to build them as strong as the other classes. Farmers could never advance their own interests except through the advancement of democracy. Nothing could Labor. They could only serve their own interests by developing the true principles of democracy. We had all very little idea of true democracy. We were all creatures of environment.

The most simple form of cooperation was the cooperation of voting strength. They had worked in that way in Medicine Hat, and it had proved successful.

Keoma Items
In Calgary the situation was that the Farmers had not got enough votes to elect a candidate in East Calgary, or West Calgary. Farmer and Labor together might elect a candidate in East Calgary. They did not have enough votes to elect a candidate in West Calgary.

They would understand that the candidate would be absolutely Farmer and Labor candidates. All that was wanted was voting cooperation. As attempts at closer cooperation in the past had resulted in disaster. No candidate could serve two masters.

The democratic forces had to be mobilized. The present economic situation had grown out of the present political system. There was no reasonable hope that under the present condition the situation would ever get better.

The salvation of the world depended on the mobilization of democratic strength sufficient to work out the redemption of the world.

BLIND CREEK NEWS

November the 4th is to be the big night at the Blind Creek School House. The Ladies Aid are putting on an evening which will include at least all kinds of pie, sandwiches, etc., and a good programme. A good time is assured and all interested are asked to keep the evening open.

The Ladies Aid met at the home of Mrs. R. Reid on Thursday last, when there was a big attendance of members and others, all of whom reported a pleasant afternoon.

DALEMEAD DOINGS

Dalemead continues to grow, it not in prosperity, in population. Last week a son was added to the family of Mr. and Mrs. J. Reid, and a daughter to that of Mr. and Mrs. A. Vanderweide. Both births occurred in Calgary.

Mrs. L. Nelson is taking care of Mrs. J. Vanderweide's little boy, who is suffering from a bad cold at the time of writing.

The latest word from Fernie shows that it is looking better all the time, and expects to return in perfect health. Mr. Stewart is going to Calgary this week where she expects to stay with her parents for some time.

Mrs. L. C. and A. McKinnon took a trip to Banff last weekend. At Sunday school last Sunday, Mrs. H. Beken was appointed Secretary, Treasurer of the School, in succession to Mrs. E. Stewart. At the same time the service a meeting was held to arrange for a social evening in the near future, probably on the 28th. Watch for other announcements.

KEOMA ITEMS

Mr. and Mrs. A. C. Ranky had a delightful trip to the coast and were accompanied by Miss Williams, of Delton, who is spending some time in Vancouver. While in Vancouver the weather was glorious, and Mrs. Ranky's had a most interesting time visiting the many beauty spots including beautiful English Bay and West Vancouver. They also had Teah salmon from the Fraser River, and the privilege of picking blackberries in the garden of some friends they visited. The blackberry and apple tasted very nice to them. The grass is still very green and the lowlands in many sections are a mass of beautiful flowers and green foliage. However, there is no need to go out to Canada for a trip, or a chance, when the Pacific coast and Vancouver is so near. The Rankys left Vancouver for Victoria on the R.M.S. Malvern last Friday at midnight.

Regina, Sask.—On a seeded acreage of 16,352.000 acres, the wheat yield of Saskatchewan this year is estimated by A. E. Wilson, Dominion Grain Commissioner, to be between bushels to the acre, making 145,002,000 bushels. Following an investigation of the crop in Alberta made within the past two weeks at the request of the government Mr. Wilson placed the aggregate wheat yield for that province at 45,000,000 bushels.

THE FORD

will travel the prairie roads

Summer & Winter

Rough Trails or Smooth, In Snow, Mud or Slush

It will stand the rough usage of winter better than any car made, cost you less to run, repairs cost you less, and there are less of them.

Even if you own a big car, it will pay you to stable it for the winter and use a Ford.

The cost of a Ford Car is lower now than it has been since Fords were first made, and they carry every necessary modern improvement: electric starter, lighting, and ignition.

Municipal District of Keoma
No. 219
— 0 —

TAX SALE

NOTICE is hereby given that certain lands in the Municipal District of Keoma, No. 219, will be offered for sale, for arrears of taxes, and costs, on Saturday, October 25, 1921, at the Municipal Office Section 7-25-21 W 4, commencing at 2 p.m. A full list of said lands may be found in the issue of the Strathmore and Bow Valley Standard, dated Wednesday, September 14, 1921, and supplementary list, in issue of same paper of date September 21, or at the office of the Secretary.

Unless these arrears of taxes and costs are sooner paid, I will proceed to sell the said lands at the time and place above mentioned.

Dated at Irricana, September 12, 1921.

F. J. EWING
Secretary-Treasurer

Newspaper Advertising

Will Put Money

In Your Till

The world's big mercantile businesses have been built up by advertising.

The smaller businesses will benefit relatively just as much by steady persistent and intelligent advertising.

Competition is keener today for the business available than it has ever been. To hold your business and to increase it you have to get close to the buying public.

Advertising in the Strathmore and Bow Valley Standard will put you next to several thousand readers, in your immediate vicinity. They would rather deal with you than with Calgary or Winnipeg if you can give them a price, quality, and service, and let them know it.

Our ad. rates are fair and reasonable and our service is first-class.

CARD OF THANKS

Mrs. Dowling and family desire to express their deep appreciation for the kindness and sympathy extended to them during their recent bereavement.

All aboard! for a trip round the world on Monday October 7th. Cans leave every twenty minutes from 5.30 p.m. on from Open House. Fare 50 cents. A rattling good dinner served in the various countries called at, commencing with wine and dancing at 9 p.m. at the Opera House. Cans leave at several to suit business men as well as others.

SUCCESSFUL WHIST DRIVE

A successful Whist Drive and Social took place at the Oddfellows' Hall on Friday 7th, under the auspices of Strathmore L.O.F.F. Everyone present spent a most enjoyable evening. Refreshments were served after the cards. Prize winners were as follows: 1st Gent, Mr. Roy Grenier, 1st Lady, Miss Evans. Doxy, Mr. O. Wright.

Dancing took place till 2 a.m. A number of these jolly nights are expected to be undertaken this season by the Oddfellows.

Edmonton, Alta.—One of the largest sales of pure bred livestock in Northern Alberta took place recently when the Hon. V. W. Smith, Minister of Railways, disposed of his herd at Camrose to Kikam Ranch Company, of Beaumont, Alberta, for \$25,000. One hundred and fifty head of cattle were brought by the Smith Company, all being of the "Fairfax" Herd bred.

Local Notings

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday morning preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 48.

Anton Peterson, Charlie Cowell, and Messrs Simpson & Len, Calgary, were on a shooting expedition, and returned with a bag of fifty-four geese and one hundred and sixty mallard ducks.

Mr. O. C. Craig, elevator agent, Cheshire, is at present in the local Hospital, Calgary, undergoing an operation.

Detective Schoepke, who is coming here, has been promoted to take charge of the liquor branch of the Provincial Police for Southern Alberta, in place of Detective John Hesketh.

The Women's Institute will meet on Thursday, October 19, at the home of Mrs. Garrett. Mrs. J. Martin assisting.

A case of drunkenness on Saturday was met at Police Court Monday with a fine of \$2.00, and a charge of begging dismissed.

In this issue we publish a poem by Mr. P. C. Barchard, Carleton Place, Ontario, who resides near Carleton Place, both legs while on active service, and he has had the furthest journey during the last two months to be operated on for appendicitis, but is convalescing nicely now. Mr. Barchard shows a fine example of pluck, and his poems which have been published from time to time in the Standard, show evidence of a fine cheery spirit.

The Ladies Aid Society of the Union Church will meet on Thursday at the home of Mrs. North.

Mr. Margeson, of Berwick, Nova Scotia, visited his daughter, Miss E. Margeson on Sunday and Monday.

Decorations and improvements on the Union Church began on Monday.

Mr. R. Van Manan writes from Java, where he has been for the past summer on his sugar plantation, reviewing his subscription to the Standard, which he finds of great interest to himself and Mrs. Van Manan.

Mr. W. W. Webster, of Winona, Minn., who owns a section of land east of Strathmore, has been in the district for some days past looking after his farming interests.

The drop in the price of wheat and other grains during the past week, has caused a considerable amount of hardship to local farmers. Being in most instances a light crop, and with price of other articles still above their pre-war levels, it has seriously affected the financial situation, both for the farmers and those who do business with them. However, there is no doubt that a turn for the better will come, as a farmer said recently, in about ten years time we will be wondering what we were growing about in 1921.

A meeting of M. D. Bow Valley Council was held last Saturday. Report of same will be published in next issue.

Strathmore Masonic Lodge received an official visit from the D.D.M.M. of District No. 1, E. W. Bro. D. C. McHugh, on Monday, when degree work, etc., was exemplified.

Despite the shadow of the Federal election, local people are already studying the probabilities for the Municipal election and there are likely to be several contests.

Carleton and Nanika notes were received too late for insertion last issue. Correspondents please note that only must be received by Monday to guarantee insertion same week.

For cut flowers for all occasions call Miss Lee Chase; phone 75. All orders given careful attention.

At a police court held on Tuesday, before Justices Lambert and Vickery, John Peters was fined \$5.00 and costs for dumping cesspool refuse within the town limits.

Dr. A. W. Girvin has bought a new Ford Coupe through Mr. W. C. Brown, local dealer.

CARSELAND NOTES

Church row in the Mt. Royal section of Carlsland is again to the fore. This time it is in the form of a drop in the price of the house of Mr. and Mrs. L. E. Simson, which has materially improved the appearance of the property.

The P. B. Club held its regular monthly meeting at the home of Mrs. N. A. Cool on Thursday last, when there was a good attendance. A committee was appointed to arrange for a social evening toward the end of the month for the purpose of raising funds to complete payment on the plans. A further announcement will be made next week.

Those interested in the new gas producing plant erected, their demand strait at the rear of the garage has been demonstrated that the plan can produce gas. The plant provided considerable interest, and letters and advisors were very conspicuous.

Wong Wing Ky, of the City Gate, left last week for an extended visit to his old home in China. Wong was missed this winter at the old stand, Mrs. W. Sinclair, of Blind Creek, spent the weekend at the Patrons and on Monday went to Ardena for a short visit.

Subscribers to the Carlsland Community Hall are being asked to subscribe the \$1.50 each in order to cover the initial expenses of incorporation, etc., which amount will be credited to their notes.

The herd of horses that went through Carlsland last week ran into a Street Car at Ogden when six of them were killed. The motorman was not hurt but the front end of the street car was demolished.

Readers will note the ad of Mr. W. Laurie on this page.

Our gravel garage man, Hap, was among those present at the shower for the bride-to-be, at Langdon one evening last week.

Don't forget the supper to be given in the Church by the Ladies Aid on the 11th of November. There will also be a concert. Keep the evening open.

The Joint Board of the Carlsland Church district was held in the Carlsland Church on Wednesday evening, the 25th, when the following members were present: Messrs Crumney, Match, H. Hill, and Meland; Mrs. Roe and Miss Dick, Dalmenod.

Messrs Hill and Dixon, Blind Creek; Messrs N. J. Robinson and Batchelor and Mrs. Batchelor. The chief business of the meeting was the drafting of the financial budget for the coming year. After some discussion the budget was placed at \$24,000.00, and allocated as follows: Carlsland, \$11,000.00; Dalmenod, \$7,000.00; Blind Creek, \$6,000.00.

On Wednesday, the 23rd September, the train going East came through Carlsland at 2.50 p.m., causing much excitement among the natives. Mr. Fred Ward, of Blind Creek, lost several big horses last week following an over dose of wheat and water.

Mrs. Woodrow and young Betty went to Calgary on Thursday last when Bert had his tonsils removed. Mrs. Griffin and Mrs. W. L. Brown were also Calgary visitors on the same day.

Someone came in contact with the west water pipe in connection with the town pump and caused a leak below ground, which has necessitated going back to the old system for the time being.

The Carlsland U.P.A. held a meeting in the Church on Saturday evening last.

The School Trustees held a meeting on Sunday, Oct. 2nd. Don't miss noticing the day. Life has become so strenuous in Carlsland that no time can be found during the week to attend to school matters.

One of the most interesting things seen in Carlsland for a long time was witnessed Sunday, October 2nd, when a schoolhouse full of people met for a church service. Needless to say it was a Roman Catholic service, but no other class of people would think it worth while to make such an effort.

Another interesting feature of the service was the presence of the adults of that community. Evidently Roman Catholics do not content themselves by sending their wives and children to church, but think it worth while if only for the example of the thing to go themselves, though we think they had a better motive than the mere example. Father Daughan, of Strathmore, was the officiating priest.

It would be more credit to the protestants of the community if they would, if only from the point of view of example to the younger ones, take a more active interest in an institution that stands for all that is best in life.

LEE'S WEATHER STRIP

Patented and made in Canada

Now is the time to put Lee's

Weather Strip on your doors and

windows.

It keeps out dust and rain in

summer, snow and wind in win-

ter.

It makes the home comfort-

able, families happy and saves

fuel.

Why equip your doors with

inferior material every year

when Lee's Weather Strip once

will last indefinitely?

Lee's Weather Strip is neat

and attractive and adds to the

appearance of the home.

Does away with storm win-

dows and doors.

For further particulars see local

agent.

NAMAKA NEWS

Harvest Thanksgiving was held on
Sunday, October 2, when Rev. Phillips
addressed an impressive sermon on
the bountiful gifts of God. The
Church was nicely decorated with
grain, flowers, and vegetables. There
was a good congregation in attend-
ance. The Strathmore trio, consist-
ing of Mrs. Hall, Miss Cope, and Miss
Todd, rendered two musical num-
bers which were much appreciated. Two
other solo's were sung by Miss Hazel
and Gladys Leckie.

Miss Great Watson left on Tuesday
last for Calgary where she is taking
a course at the Commercial High
school.

The U.F.W.A. social gatherings were
on Saturday evening, October 8th, in
the L.O.O.P. Hall. The young ladies
put on the programme.

At the U.F.W.A. meeting held at
Mrs. Mortenson on Saturday, it was
proposed and carried to vote two dele-
gates to the Political Convention at
Calgary.

WHY HE TOOK THE PAPER

We asked a man the other day why
he took the local paper. He gave a
most interesting reply, stating that
he took it first for the purpose of
seeing what the stores had to offer
to see what the neighbors had to sell
or wanted, and to learn what was
going on in the district, and how to
help the printer. You notice what
the man mentioned first? The ad-
vertisements—the main thing in a new
paper, for in them from time to time
you see what the merchants have to
offer, and if you study them carefully
you will find that in the long run you
are going to save money. Get the
habit of reading carefully every ad-
vertisement week by week and you
will receive the benefit that others
must receive by so doing.

Employees Pay Great Part of the Income Tax

Some interesting income tax figures
were lately by the commission-
ers of taxation on Saturday, says an O-
ttawa despatch to the Calgary Herald
showing the amount contributed by
the various classes throughout the
Dominion. Of a total of \$46,387,300
collected by the federal authorities
for the year 1920-1921, 52 per cent
(farmers) contributed \$24,175,725.
The number 16,652 out of a total for the
whole country of 194,257 persons as-
sessed. As against this, professional
men, numbering 19,266, contributed
\$2,449,585. Employees, including those
working for salaried wages and time
work, contributed \$11,300,865, there
being 111,621 assessed. There were
21,482 merchants assessed, and they
paid among them \$7,608,652 in income
tax. Manufacturers assessed num-
bered 3,277, and their total contribu-
tion to the federal income tax amount-
ed to \$4,121,530. The rest of the in-
come tax payers through the Domin-
ion, numbering 18,355, paid \$11,925,562.

Agarians Taxed

Agarians in Quebec, numbering
214, paid \$19,256 in Ontario, 1,379
paid \$48,971; in Alberta, 1,849 paid
\$127,722; in Saskatchewan, 5,496 paid
\$165,022; in Manitoba, 6,403 agarians
paid \$116,506; in Prince Edward Is-
land, 31 agarians were assessed
\$2,275; Nova Scotia, 41 paid \$4,605;
New Brunswick, 45 paid \$3,197, and
British Columbia, 698 paid \$104,770.

The province of Manitoba has 28-
998 persons assessed in the total of
\$5,474,534. Professionals, numbering
2,609, paid \$182,927; 2,720 merchants
paid \$822,883; 122 manufacturers paid
\$24,082; and 32,180 employees paid
\$1,929,112.

Saskatchewan had 16,613 persons
assessed in the amount of \$1,098,219.
Professionals to the number of
1,247 paid \$114,069; 287 merchants
paid \$253,419; 58 manufacturers paid
\$15,882; and 6,566 employees paid
\$118,528.

Alberta's Assessment

Alberta's amount was \$1,325,643,
and was paid by 15,555 persons. Pro-
fessionals paid \$120,255, there being
1,822 assessed; 1,520 merchants paid
\$292,685; 93 manufacturers paid
\$110,602; and 9,725 employees paid
\$529,123.

British Columbia with 18,355 per-
sons, assessed, paid \$2,001,159 in in-
come tax. Of this, the professionals,
numbering 1,429, paid \$121,037; 1,229
merchants paid \$423,531; 184 manu-
facturers paid \$226,526; and 13,323
employees paid \$1,210,075.

The total amount collected for the
year, 1920-21 in business profits tax,
was \$10,841,401.

AUTO ETHER

The difficulty of starting
a gasoline motor in
cold weather is well
known to all users of
automobiles or other in-
ternal combustion en-
gines using either gaso-
line or kerosene.

This is due to the
gasoline being less vola-
tile at a low tempera-
ture and therefore less
combustible. Ether is
being a more volatile
liquid and its vapor
more diffusive when
mixed with gasoline in-
creases the combustion
of the engine.

Our auto ether is free-
from impurities which
would affect the motor
parts or cause deposit
of carbon.

Price
\$1.50 lb.
of 20 fluid ounces
